

Player Intent Form

We understand and respect that you are facing a complex decision with regard to what club and team you desire to play for. In order for Carolina One to commit to the proper players and coaches and to form teams appropriately, we ask that you please indicate which statement below best identifies your intent concerning playing for Carolina One. Your choice does not guarantee your spot on any Carolina One team, nor does it require you to commit to Carolina One. You may check more than one option, provided that you carefully consider your choices.

You must turn this form in at check-in prior to the start of tryouts.
